**ALLEGHANY COUNTY VETERANS
ADVISORY COMMITTEE ANNOUNCEMENT**

Phase 1 of the Alleghany County Veterans Memorial brick offerings for the "Walk of Honor" at the Alleghany Veterans Memorial Park on Duncan Street in the Town of Sparta concluded on July 14, 2018. The last brick order in Phase 1 arrived and was proofread by the Veterans Advisory Committee during the first week of September. The 650 bricks purchased during Phase 1 was consolidated and turned over to our contractor for installation the second week in September. The contractor prepared the site and installed the bricks during the last of September and into October 2018. Dedication of the "Walk of Honor" took place at 2:00 p.m. On Veterans Day 2018, the 100th anniversary of the Armistice ending World War I. There were several veteran speakers from VFW Post 7034, the Marine Corps League, the American Legion and the Disabled American Veterans and political dignitaries. A huge crowd attended the dedication and afterward walked the "Walk of Honor" of our veterans Memorial Bricks.

Phase II of the Veterans Advisory Committee memorial brick offerings began on July 12, 2021 and is ongoing. Our goal is to install the bricks from Phase II by Veterans Day 2022 at a date and time to be determined by the Veterans Advisory Committee. Order your bricks now. They are nice laser etched and guaranteed for life. Our brick supplier is the only brick company in the United States that is authorized by the Department of Defense and each of the military services to etch the logos and mottos of the specific services to your bricks. These bricks make excellent gifts for veterans birthdays, Christmas and other special occasions, with their years of service, areas of service, peacetime or wartime service or just for the veteran "who has everything" and you wish to provide "something very special" for him or her. They are especially appropriate to honor those veterans killed in action, those who have passed on and those currently serving. The veteran does not have to have been or currently a resident of Alleghany County but those who have honorably worn the uniform and served their country. This would also include Union and Confederate soldiers and those who have participated in all wars since the French and Indian War to the present. We wish to honor them all. The Veterans Advisory Committee will continue to man booths at the VFW 7034 Post Home, the Alleghany County Public Library, The Alleghany County Register of Deeds office and other sites throughout the Town of Sparta. Plus applications can be picked up and delivered at the Veterans Service Office and the Alleghany County Managers office.

REMEMBER: The Alleghany County Veterans Advisory Committee is a 501.c3 Corporation and all donations are tax deductible. **ORDER YOUR BRICKS NOW OR MAKE YOUR DONATION.**

Robert W. Overbay, Chairman
Alleghany County Veterans Advisory Committee
